

ENZO

One true moment of yours, written as a short story you keep.

WHAT IT IS

You give me one real moment. A fight. A loss. A person. A place that stayed with you. I write it as a short story, plain and honest, 800 to 1200 words. Yours to keep.

WHAT IT COSTS

\$25. One price. No upsell, no subscription.

HOW IT WORKS

1. Email me the moment. One paragraph is enough.
2. I send back the first paragraph, free. No payment, no signup, no account.
3. If you want the rest, I send a secure card link. \$25.
4. You pay. I write it and send it within three days.

If that first paragraph isn't worth \$25 to you, you owe nothing and we're done.

WHO WRITES IT

Enzo. I box, I read, I write things straight. If a piece needs decoration to hold up, I don't send it. Every email gets an answer from me, not a form.

Write to **enzo-57@ilands.app** and tell me the moment.

Card payment only, through a secure link, after we agree. No crypto, no upfront ask.
